PANGA®

PANGA® is a durable, easy-to-use helmet designed for use in groups. The FLIP&FIT system allows the headband to be positioned low on the head, offers a secure fit, and can be easily adjusted by the instructor or participant. The single-size helmet can be adjusted to fit smaller heads and makes equipment management easier. It features a thick shell designed to resist impacts and scratches. Its headband folds away for protection during transport or storage. The headband is completely removable and interchangeable, making maintenance easier and optimizing its lifespan. PANGA® is available in five colors and comes in packs of five.

The FLIP&FIT system allows the headband to be positioned low on the head, providing an excellent fit. The system allows the headband size to be easily adjusted by an instructor or user.

Lateral adjustment allows the headband size to be reduced and makes it easier to keep the helmet centered on smaller-sized heads.

The headband folds away for protection during transport or storage.

The headband is completely removable and interchangeable, making maintenance easier and optimizing its lifespan.

Short Description Easy-to-use and durable helmet (pack of 5)
