DUFFEL 65

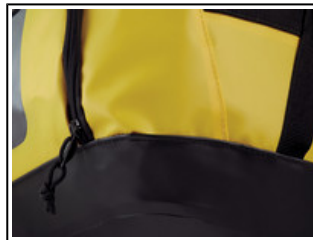

Designed to be carried in multiple ways, DUFFEL 65 is a convenient, ergonomic bag with a volume of 65 liters. The back and shoulder straps are padded for comfort when used as a backpack. Versatile, it can be carried in multiple ways with removable shoulder straps. The large opening allows easy access to equipment, including two pockets in the inner flap and a large side pocket for a helmet or shoes. A large transparent area allows rapid identification of the bag. It is constructed of high-strength TPU tarp material for intensive use. Available in two colors: yellow/black and black.

Large D-shaped opening for easy equipment organization.

Large side pocket with zipper closure to separate helmet, shoes, or other objects from the rest of the equipment.

The high-strength TPU (PVC-free) tarp material allows regular to intensive use.

Padded, adjustable back and shoulder straps for comfortable carrying.

Short Description Transport bag. 65 liters

Selling Points

- 65-liter transport bag, ergonomic and comfortable:
 - Padded back and shoulder straps for comfortable carrying
 - Two carry options: as a backpack or over the shoulder
 - Four compression straps to optimize bag volume and to reduce shifting of equipment during transport
 - Rapid buckles allow the shoulder straps to be completely removed
- Easy access to equipment:
 - Large D-shaped opening for easy equipment organization
 - Two pockets (one with a key clip) in the inner flap to organize documents and personal items
 - Large side pocket with zipper closure to separate the helmet, shoes, or other objects from the rest of the equipment
 - Transparent area for quick and easy identification of the bag
 - Four webbing handles around the bag for easy handling on all sides
 - Eight equipment loops inside the bag
 - Able to lock zippers with a padlock
- Excellent durability for intensive use:
 - High-strength TPU (PVC-free) tarp material for regular to intensive use; it is resistant to UV exposure (doesn't fade), to oil, grease, and high and low temperatures, chlorine-free (no odor)
 - Black bottom and sides are welded for abrasion and tear resistance
 - Shoulder straps with steel attachment buckles with anti-corrosion treatment
- Available in two colors (yellow/black and black)
