PIXADAPT

The PIXADAPT allows the user to mount or remove a PIXA headlamp from a helmet at any time, while maintaining the ability to tilt the lamp. PIXADAPT is compatible with Petzl helmets with or without an eye shield. For other helmets, verify compatibility with the helmet manufacturer.

Compatible with the VIZEN eye shield.

Compatible with the VIZIR eye shield.

Ultra-strong adhesive allows the PIXADAPT to remain attached on a wide range of helmets.

Short Description Accessory for mounting a PIXA® headlamp on a helmet

Selling Points

- Consists of a single piece: adhesive backing allows the PIXADAPT to remain attached, while the headlamp can be easily removed
- Allows the user to easily mount a PIXA® headlamp on a helmet:
 - Compatible with PIXA® 1, 2, 3, 3R, Z1 headlamps
 - Maintains the ability to tilt the headlamp
 - Compatible with Petzl helmets, with or without a face shield; for other helmets, verify compatibility with the helmet manufacturer

Specification
