e+LITE®

Ultra-lightweight and highly compact, the e+LITE emergency headlamp is the one to always have with you. With a carrying case, it's always ready to use and can be stored with its batteries for ten years in a backpack, vest, or emergency kit, or used as a back-up headlamp. Its white or red, 40-lumen fixed lighting or strobe lighting helps you to be seen. The whistle integrated in the elastic headband allows the user to signal an emergency. Weighing only 26 grams, e+LITE is an ideal emergency headlamp.

Its continuous or strobe lighting (white or red) allows you to be seen and to signal an emergency.

Adjustable elastic headband with emergency whistle.

Comes with a storage case.

Short Description Ultra-compact emergency headlamp. 40 lumens

Selling Points

- Ultra-compact and ultra-light emergency headlamp to always have on hand
- Always ready to use, it can be stored with batteries (lithium CR 2032) for 10 years
