## Hawk Sit Harness

H0003 & H0004

The Hawk Sit Harness has been created for military and mountain rescue personnel, or anyone who requires the security and durability of a very robust harness as an alternative to that of a rock climbing harness.

Molle System - The black, grey and camouflage Hawk harnesses are able to be fitted with a 7 across Molle system, this does NOT come as standard with the Hawk. The Molle system is compatible with all Molle system pouches.
